BOOM OF CANNON.

It Announced the Arrival of President Roosevelt in the Capital of Kansas.

Y. M. C. A. CORNER STONE LAYING

The President Placed the Mortar With a Silver Trowel Which Had Been Presented to Him.

In His Address He Expressed His Pleasure at Being in the Geographical Center of the United States.

Topeka, Kan., May 2.—President Roosevelt made two addresses in Topeka Friday night, one at the laying of the corner stone of the new railroad Y. M. C. A. building and another at the Auditorium before the international convention of the Y. M. C. A. Both addresses were heard by immense crowds and were received with great enthusiasm. After laying the corner stone for the Y. M. C. A. building the president was conducted to the residence of Gov. Bailey, where he was entertained at dinner. His last address was given at 9:30 o'clock. The crowd was large but so excellent were the police regulations that there was little or no confusion. President Roosevelt's train arrived in Topeka an hour late. Over 12,000 persons assembled at the site of the new Y. M. C. A. building to welcome him. At 6:55 o'clock the booming of cannon announced the arrival of the president's train north of the river.

A cavalry and mounted police escorted the president to a platform. He made a short address and then laid the corner stone.

General Manager Mudge, of the Santa Fe, presided. He presented to the president a silver trowel which had been contributed by the road, and with this the president placed the mortar.

In his address President Roosevelt expressed his pleasure at being in "the geographical center of the United States." He congratulated the delegates to the Y. M. C. A. convention that they had come to Kansas for their great meeting and said he hoped their meeting would be the most profitable ever held. The president characterized the railroad Y. M. C. A. as a potent agency for good.

The ceremonies occupied 20 minutes. Then the president and his party were driven rapidly to the Copeland hotel. A number of the party at the Copeland hotel were entertained at dinner by the Y. M. C. A. The president was taken to the residence of Gov. Bailey, where he was entertained.

After dinner at the governor's house the party proceeded to the Auditorium where the president delivered an address to the delegates of the Y. M. C. A. committee. The large building was jammed and there were thousands who could not enter.

THE PRESIDENT'S CARRIAGE.

Man Who Attempted to Mount It Was Knocked Off By a Policeman.

Topeka, Kan., May 2.—During the trip to Gov. Bailey's house a man of the name of Murphy attempted to mount the president's carriage. He was knocked off by a mounted policeman. Murphy then jumped on one of the steps with this remark: "I guess I'll ride here." One of the secret service men in the carriage by a well-aimed blow sent Murphy rolling in the gutter. He was afterward arrested. The fellow was unarmed and did not contemplate any assault on the president. The incident greatly amused the president. One of the president's guards Friday night was Patrolman McIntosh, who was a member of Mr. Roosevelt's command at Santiago. McIntosh was recognized by the president.

It Was Given to Cardinal Rampolla By Father Van Antwerp.

GROWERS IN EARNEST.

Tobacco Farmers Association Expect to Control Burley Crop This Year.

Thursday's Meeting at Lexington Large and Enthusiastic—By-Laws Adopted—Work Being Pushed.

The meeting of the Burley Tobacco Growers' Association at Lexington Thursday was large and enthusiastic. From twenty to twenty-five counties in Kentucky, Ohio and Indiana were represented. Messrs. W. Scott Osborne, T. L. Holton and H. Clay Stone were present from Mason County. The Herald says: "There is no question but that the white burley tobacco growers of Kentucky are in earnest in their fight against the tobacco trust. Most earnest speeches were made by several speakers, especially Messrs. Barton, of Falmouth; Newman, of Woodford, and Hughes, of Mercer. These gentlemen expressed the general feeling that this organization is going to control the output of white burley the coming season. They have not yet obtained the 40,000 signers to the contract for the delivery of the next crop of tobacco, but expect to obtain the full number in thirty days."

Among other things done at the meeting of an interesting nature was the adoption of a button, bearing a leaf of tobacco and the initials "B. T. G. A."

The organization adopted by-laws, the substance and important parts of which are published below:

The annual meeting of stockholders and directors shall be held in Lexington on first Tuesday in September; special meeting may be called by the President, Board of Directors or 25 per cent. of the capital stock; majority of capital stock and majority of directors shall constitute quorum; each share of stock entitled to one vote.

Eleven directors are to be chosen each year and shall have general control of affairs of company; directors shall fix compensation of officers.

The officers of company shall be President, Vice President, Secretary and Treasurer; first two shall be members of Board of Directors.

In the company's office there shall be kept a stock book in which all subscriptions of stock shall be entered and numbered serially; the corporate stock of the company shall be issued only when fully paid; a journal of all the business transacted by the company, records of all meetings shall be kept at the company's office open to inspection of officers.

Each county in association shall have organization composed of growers who have signed contract; officers shall be President and Secretary and such other officers as they provide for; in each county there shall be a Board of Control, consisting of six members, three to be selected by the county organization and three by the Board of Directors of the company; the Board of Control shall select from their members Chairman and Secretary.

There shall be an Executive Committee composed of one member from each county, who shall be chosen by the Board of Directors; this Executive Committee shall meet annually at least ten days before the annual meeting of the stockholders to nominate six stockholders as directors.

In each county with the Burley Tobacco Growers' Association, this company shall employ at least two suitable and experienced persons as inspectors to inspect and grade the tobacco produced and delivered by the members of this association.

And in order that the tobacco may be graded fairly and with justice to all concerned, the tobacco growers in each county who are members of this association shall select one inspector, and the other shall be selected by the Board of Directors or by some one authorized by them.

In each county the selection of an inspector by the association company shall be subject to the approval of the tobacco growers of that county who are members of the association, and likewise the selection of an inspector by the latter shall be subject to the approval of the company.

Any grower of tobacco who is a member of this association who feels aggrieved at any grading of his tobacco, or in case the inspectors fail to agree about the grading of any tobacco, the matter shall be laid before the county board of control who shall settle all such differences.

HARMONY SOCIETY

Economy, Pa., and 2,600 Acres Surrounding the Old Town Sold to a Syndicate.

PRICE PROBABLY \$2,500,000.

There Are Only Six Living Members of the Famous Society and They Reserved a Few Acres.

It Is Thought the Real Purchaser is the American Bridge Co. and That They Will Centralize Their Plants There.

Pittsburg, Pa., May 2.—Economy and the 2,600 acres of the original tract of the Harmony society, surrounding the old town, have passed into the hands of Pittsburg and eastern capitalists. The deal was conducted by the Real Estate Trust Co. The amount paid for the tract is not made public, but the Liberty Land Co. is capitalized at \$2,500,000, all paid in, and it is known that it has issued \$2,500,000 bonds as part of the purchase money. The papers for the sale were signed several days ago by Trustee John S. Duss for the Union Co., which held title to all of the property of the old Economy society, but details were not settled until late Friday.

The identity of the backers of the Liberty Land Co. is not positively known, but it is generally believed that the American Bridge Co. is the real purchaser and that the intention is to centralize the plants of that company on the property in the near future. James A. Huston, general manager of the Pittsburg district of the bridge company, is also president of the Liberty Land Co. Ambridge, the new town established by the American Bridge Co., and where one of the largest structural steel plants in the world is building, immediately joins the Economy tract.

The deal provides for the sale of all the holdings of the Economites except three or four acres in the old town which will be retained for the members still living and two blocks occupied by the "Great House," the home of Trustee Duss and the official headquarters of the society, and the town hall with the famed Economy wine vaults nearby, remain in the old hands. There are only six living members of the society, including Trustee Duss, his wife and several relatives by marriage.

The main tract purchased extends 3½ miles along the Ohio river from near the Allegheny county line, taking in all of the township of Harmony and part of the township of Economy. It extends back over the hills almost a mile and a half.

JIM HOWARD escaped the scaffold by a narrow margin. Eleven of the last jury favored the death penalty.

Of all the candidates for Commissioner of Agriculture, no one is better qualified in every way for the position than Dr. J. M. Frazer. The Democrats of Mason and adjoining counties should rally to a man to his support.

DEMOCRATS of Mason County should not forget that our neighbor Bracken has a candidate for Clerk of the Court of Appeals in the person of Mr. Robert L. Green. Years of experience in the office as Deputy has specially fitted Mr. Green for the position. He should receive the solid vote of this section.

PERSONAL.

—Mrs. C. T. Dawson and children have returned to their home in Pittsburg, after a three months visit to her mother, Mrs. Sears, and other relatives in this city.

—Miss Ann Barry, Mrs. Jas. Lyvaton, of this city, Miss Helen Slattery, of Tuckahoe, Mr. Haacke, of Ripley, Mr. Fred Tatume, of Paris, were guests from a distance at the Tamme-Burke wedding at Mayslick Thursday.

A writer gives this advice to boys: "It is far better to be tied to your mother's apron string than to hear the sentence of a Judge or look through the bars of a prison cell."

Mr. R. F. Gault, of Shannon, and Mrs. Lillie Forman, of Murphysville, were married Thursday at the Palace Hotel, Cincinnati, by Rev. Mr. Miller. The groom is sixty-seven and one of the county's prosperous farmers, while his bride is thirty-five, and has conducted a store at Murphysville several years. Mr. and Mrs. Gault will be at home to their many friends after June 15th at the handsome residence of the groom at Shannon.

Mr. E. M. Breen was "best man" at the marriage Thursday at Frankfort of Miss Annie Hopple Hall, of Franklin County, to Mr. David Craig Vanarsdale, of Harrodsburg. The ceremony took place at the Christian Church and was performed by Dr. M. G. Buckner, of Harrodsburg, assisted by the Rev. George Darsie. Miss Laura Hall, sister of the bride, was maid of honor. The bridesmaids were Misses Maud Marcum, of Catlettsburg, Edna Shed, of Cincinnati, Neva Williams and Florence Vanarsdale, of Harrodsburg, Hattie Scott and Katie Mayhall, of Frankfort.

A certain Maysville gentleman came down to breakfast the other morning sporting a lively "crick" at the juncture of the fifth rib and spinal column. His woe-begone countenance bespoke a restless night and the boarders were profuse in their expressions of sympathy. One after the other suggested a remedy, the "sure cures" covering a wide range. The jolly host was certain that a cross-eyed potato carried in the "off" hind trousers pocket would give instant relief; a "sweet young thing" had heard her grandpa say that coarse sand worn in the shoes was good for misery in the back; "the boy" pinned his faith on the simple piece of carbon found on the street in the dark of the moon, while the wise student of politics recommended a perusal of Hendrick's card of withdrawal, observing that it had a chilling effect when taken in small doses, and was likely to produce the illusion that life was "a long, never-ending summer's dream."

Marvel Washable Gloves.

Some sense in gloves you can wash the way you do your hands. Marvel Gloves are that sort. They are made of soft, fine skin that is hard to soil in the first place. When the gloves do need cleaning, soap and water do the trick without injury to the gloves. And they're stylish too, in all the pretty spring shades. Metal, unrustable clasps. Paris point stitching on backs. Washable gloves come in four qualities—\$1, \$1.25, \$1.50 and \$1.75. We carry only the latter because PRACTICAL tests have proved they give the best returns for the money.

D. HUNT & SON

WEDDED AT BROOKSVILLE.

Nuptials of Mr. Thomas D. O'Neal and Miss Julia Sweeney solemnized Wednesday Morning, April 29th.

St. James Church, Brooksville, was the scene of a pretty wedding Wednesday morning, April 29th, when Miss Julia Sweeney, of Augusta, was joined in wedlock to Mr. Thomas D. O'Neal, of Fern Leaf, Rev. James A. Cusack officiating according to the impressive and beautiful ritual of the church.

At 8 o'clock the happy couple entered the church, attended by Miss Winnie Sweeney and Mr. P. F. O'Neal, sister and brother respectively of the bride and groom. Immediately after the ceremony the couple drove to the home of the bride where some time was spent in receiving congratulations and best wishes of their host of friends. At noon the guests were taken to the dining room, previously decorated by friends of the bride, where a sumptuous spread awaited them.

The bride is one of Bracken County's fairest daughters, and popular among her many acquaintances. She is a daughter of Mr. and Mrs. Thos. Sweeney, and is a niece of Mr. M. J. Sweeney, of this city. The groom is engaged in business at Fern Leaf, and is a son of Mr. and Mrs. Patrick O'Neal, of Mayslick.

The young couple were the recipients of many handsome and costly presents which speak of the esteem in which they are held.

Mrs. K. Larkin is ill with an attack of varioloid at her home in Washington. She nursed her daughter, Mrs. McHugh and other members of the family on East Fourth street during their recent illness, and was with the family nearly two months. The authorities kept her here until they thought all danger had passed, and were surprised to learn yesterday she was ill.

NEXT THURSDAY EVENING.

Board of Trade Banquet to be Given at Central Hotel—Old Officers Re-elected—List of Directors.

The meeting of the Board of Trade last evening at the rooms in the Cox Building was enthusiastic, if not so very largely attended. The annual election of directors was held, these being chosen:

Directors—C. D. Pearce, J. Barbour Russell, John C. Everett, H. C. Curran, J. W. Fitzgerald, Millard Merz, John M. Hunt, James B. Wood, Harry B. Owens, John W. Tilton, M. F. Marsh, R. B. Lovel, Henry Ray, Clarence Mathews, Verner Dryden, Dr. Edwin Matthews, John Duley, Thos. A. Davis, C. M. Phister, E. P. Browning, S. Straus, M. F. Coughlin, J. Ed. Parker, Garrett S. Wall, D. The old officers of the Board were unanimously reelected, an honor they certainly richly merited. They are:

President—John Duley.
 Vice President—Wm. H. Means.
 Secretary-Treasurer—H. C. Curran.

The question of advertising Maysville's advantages in a business way was left to the good judgment of the officers.

Messrs. J. W. Fitzgerald, John Hunt and M. Merz were appointed a Finance Committee for ensuing year.

Thursday evening, May 7th, was fixed upon as the date of the banquet announced for a few weeks ago, but which was postponed at that time. The banquet will be given at the Central Hotel at 8:30 p. m.

The directors chosen last night are expected to work in season and out for the upbuilding of Maysville. The Board aims to make the coming year the banner one for the city.

At the annual meeting of the Kentucky League of Building Associations in Newport Thursday, the principal topic under discussion was as to whether reduced interest charges to borrowers would not benefit the associations and aid and encourage the building of homes on the association plan. The sentiment of those present was favorable to such a reduction. The new officers elected are Charles Nagel, President; Otto Wolff, Vice President; H. C. Dumont, Secretary; E. P. Schultz, Treasurer; Executive Committee, G. P. Stegner, T. F. Beyland, M. Abele, H. C. Henghold, W. P. Thomas and George Thompson.

Maysville People Can Decide.

You would not accept the word of an utter stranger as readily as that of a person whom you knew. The following statement is made by a citizen, perhaps a neighbor. Read it:

Mrs. Mary Kinsler, of 362 East Fourth street, says: "I sent a box of Doan's Kidney Pills obtained at J. Jas. Wood & Son's drug store, corner of West Second and Market streets, to a relative living in the country who was much troubled with kidney complaint. The results obtained from Doan's Kidney Pills show that only terms of highest praise express the great curative properties of the medicine."

MARRIED AT MAYS LICK.

Mr. John W. Tamme, of Bourbon, and Miss Anna Molloy Burke, of Mason. Wedded Thursday.

The Mayslick Catholic Church never looked prettier than in bridal array Thursday morning at 10 o'clock when Miss Anna Molloy Burke of that place and Mr. John W. Tamme, of Paris, plighted their troth before the beautiful altar mid fragrant flowers and handsome plants, arranged for the occasion by friends of this popular young couple.

The bridal party entered to the strains of Mendelssohn's wedding march, played by Mrs. Nannie Cracraft with the touch of the true musician. The fair young ushers, Misses Emma Tamme and Nellie Burke, only sister of the bride, were gowned alike in dainty blue organdie, made entraine with liberty satin sashes, and took their places before the altar, slowly followed by the pair to be united for future "weal or woe."

The bride, one of Mayslick's fairest and most highly esteemed daughters, wore a beautiful dress of white chiffon and lace made entraine and carried an artistic "shower bouquet" of lovely Bride roses and fern.

Rev. Eugene DeBrune, pastor of the church, pronounced the solemn ritual, while the low, sweet melody, "Call Me Thine Own," sounded softly from the organ.

Immediately after the ceremony the party drove to the home of the bride's parents, Mr. and Mrs. M. J. Burke, where an elegant wedding dinner was served, the bride's table carrying out the color scheme of white and blue, with covers laid for twelve.

The presents, numerous and beautiful, were tributes of esteem from a large circle of friends. Mr. and Mrs. Tamme left on the afternoon train for Danville where they will remain guests of relatives for several days. After their return they will go to housekeeping in their home already prepared near Paris.

Congratulations and best wishes are extended to them by a host of friends in both Mason and Bourbon counties.

IMPORTANT ANNOUNCEMENT OF THE MAYSVILLE GAS COMPANY.

Under 2000 cu. ft. of Gas \$1.50 per 1000.

Over 2000 cu. ft. of Gas and under 3000 cu. ft. \$1.25 per 1000.

3000 cu. ft. of Gas and over \$1 per 1000.

At a meeting of the Board of Directors of the Maysville Gas Company March 28th, 1903, it was ordered that on and after the first day of April, 1903, the above sliding scale of price of gas for all purposes, fuel and illuminating, should go into effect for all private consumption, and that all rates and discounts heretofore made are hereby abolished.

It was further ordered that after the first of April the old rule of the company "gas will be turned off if account is not paid with five days after presentation" shall be enforced, impartially and indiscriminately, regardless of whom it may concern. (This action was taken not to appear arbitrary nor with the idea that the accounts of the consumers were not perfectly good at any time during the month, or a year later for that matter, but for the good of all concerned and in order that this part of the business of the company might be taken up at a specified time during the month and disposed of, and further in order that the time and thought of the company's agents and employees, now so largely occupied with this work of collecting, might for the balance of the month be diverted toward giving consumers of gas better attention and more efficient supply and service.)

It was further ordered that beginning with the first of May for each and every month thereafter, the monthly statement of account of each consumer should be delivered to said consumer by an agent of the company on the first day of the month, or the second day, if the first comes on Sunday, and that said account shall thereafter within five days be due and payable at the office of the company on Court street, Maysville, Ky., and if not so paid, gas will be promptly shut off.

The gas company further announces that, after the first day of April, they will have for sale at cost price to gas consumers any of the great variety of gas stoves and ranges made by and shown in the catalogue of the Detroit Stove Works, Detroit, Mich. The prices will be a sum equivalent to 50 per cent. discount from the prices in said catalogue. These stoves and ranges will be sold for cash only, or according to the terms of a printed lease, whereby easy payments are extended over a period of from twelve to seventeen months. For instance, take a gas range listed in catalogue at \$30, the gas company will sell this range to consumer for \$13 cash or for \$20 cash at signing of lease and 60 cents a month for seventeen months, at the expiration of which time the range is sole property of consumer. The company has selected to handle the Detroit Jewel Gas Range on account of its acknowledged superiority and wide reputation for durability and economical consumption of gas. The gas company will also handle, at cost price to consumer, the fixtures and mantles of the Weisbach Company in all of their many attractive varieties.

Before closing this announcement the gas company wishes to publicly express appreciation of the eminently fair, just and courteous treatment accorded them by his honor, the Mayor, and the Board of Council, particularly the Chairman and members of the Gas Committee of that body, through whose efforts in behalf of the private consumers, the above concession in the price of gas is now announced.

With the assurance to the citizens of Maysville that it will be the earnest effort of the company and its agents to at all times give them their best possible service at the least cost, we beg to remain, very respectfully, MAYSVILLE GAS CO.

P. S.—On and after April 1st the gas company will have on exhibition at the plumbing establishment of Mr. Larry Langfels on Market street, samples of the Detroit Jewel Gas Ranges, to the inspection of which those interested are cordially invited. You can leave your order for a range with any representative of the gas company, with Mr. Langfels or your regular plumber, with whom you will have to make arrangements for the connecting and fitting up of range in case of the placing of order.
